The Mayor welcomed Senior Divisional Officer Paul Bates to the meeting who discussed the Mid and West Wales Fire and Rescue Authority's Risk Management Plan and answered Members' questions, particularly with regard to staffing and equipment.

He said that the Authority had identified those sections of the community where the fires were taking place, e.g. the elderly, lone parent families, people with substance misuse problems, and were carrying out audits and supplying smoke alarms and speaking to the community in order to prevent fires occurring in the first place.

Following further discussion of staffing in Haverfordwest and the effect this would have on call-out times, fire officer training at sea, equipment being installed, he thanked Members for giving him the opportunity of speaking to them and said that he would be pleased to come again in the future if they so wished.

**(b) Minute 102 – Land to the East of Lower Pennar Dairy**

**(c) Minute 104 – Provision of Public Toilets**

The Town Clerk reported that he had written to Pembrokeshire County Council and was awaiting a reply.

**(d) Minute 109 – Pembrokeshire Community Health Council – Draft Primary Care Estates Strategy 2006-2016 Formal Consultation**

Councillor S. Perkins reported that only one member of the public had attended this meeting, and it was hoped that the meeting could be re-arranged so that the cut-backs at South Pembrokeshire Hospital could be discussed. Mrs. Jenny Bowen had agreed to attend the next Town Council meeting on 13 October to address members about the development work at South Pembrokeshire Hospital.

**(e) Minute 111 – Research on Accommodation Needs of Gypsy-Travellers in Wales**

The Town Clerk reported that he had written to individual Councillors about the accommodation needs for gypsy-travellers so that he could reply by 30<sup>th</sup> September. The research concerned those gypsy-travellers:

- (i) who stay in the area for a few weeks and then move on;
- (ii) who have settled down in the area.

The Town Clerk asked Members to write to him with their comments so that he could send a response.

(f) **Minute 112 - Commemoration of Trafalgar Day**

With regard to the Minutes of the comments concerning the Cemetery, Councillor Mrs. J. Rees reported that she had received some phone calls regarding Park Street Cemetery which had mentioned the possibility of part of it being turned into a car park.

Councillor S. Perkins requested that the Town Clerk should write to Pembrokeshire County Council asking whether this information is correct.

Councillor R.G. Watts informed Members that there would be a Drumhead Service in the Cemetery to commemorate Trafalgar Day on 23<sup>rd</sup> October 2005, which had been organised by the Royal Naval Association.

(g) **Minute 113 – Visit of Teachers from Latvia, Denmark and Ireland**

Councillor R.G. Watts reported that a Civic Reception would be held on Friday 30<sup>th</sup> September in the Council Chamber for the visiting teachers from Latvia, Denmark and Ireland.

**76. REPORT OF THE TOWN CLERK**

**123. Update Of Standing Orders**

The Town Clerk advised that this would take longer to complete than originally envisaged because the original Standing Orders were not held by the computer system. The draft would be presented at the next meeting to be held on 13 October. He apologised for the delay but they would be issued as soon as they had been completed so that members would have time to comment on their content.

**124. Pembroke Dock Town Council Bank Accounts**

The Town Clerk advised that he and the Finance Officer, Mrs. A. Vincent, had been looking at ways of streamlining the Town Council accounts. At present the following accounts were held:-

Current Account where signatures to the account were two out of four council members.

Imprest Account (Payments of Tax, NI, Salaries or Wages) – one signature, this being the Financial Officer.

Tourism Committee (Items of expenditure relevant to promotion of town) – two signatures – the Chairman of Tourism Committee and Town Clerk.

Business Premium – Reserve Account) Transfers to other Town Council Accounts  
Reserve Account ) via Financial Officer

Section 150(5) of the Local Governmental Act 1972 states “Every cheque or other order for the payment of money by a parish or community council shall be signed by two members of the Council”.

He advised that the Guidance provided by the Society of Local Council Clerks and National Association of Local Council stated:-

“..... once the invoices have been approved, cheques or any other order for payment must, by law, be signed by two members of the council. In addition to the members signing the clerk or responsible financial officer may also be required to sign cheques or other similar bank instructions. Cheques should only be released once confirmation has been received that adequate funds are available. Payments should be reported to the next council meeting.”

In the light of the above guidance and the fact that the Town Council has a computerised accounting system the Town Clerk suggested that we review our current procedures and operate only three accounts, viz:-

- 1) Current Account – two signators out of four councillors
- 2) Deposit Account
- 3) Business Premium Account

Transfers between the three accounts could be arranged by the Finance Officer/Town Clerk only.

Budget allocations to the Tourism Committee could be monitored using the existing income/expenditure headings on the computerised accounting system.

He advised that as stated in his last report to Council on 1<sup>st</sup> September there would be a formal budget report on a quarterly basis starting November 2005. This would enable members to monitor income and expenditure effectively.

#### **Bank Balances at 31<sup>st</sup> August 2005**

Current Account	£14,795.53
Imprest Account	£1,428.39
Premium Account	£6,972.49

Since that date 2<sup>nd</sup> instalment of precept received £32,924.50.

She advised that meetings were held on the second Tuesday of every month in the Sherlock Holmes Inn, Pennar.

She advised that there were concerns that youths were congregating by a wall, drinking alcohol, which had led to anti-social behaviour.

There was a discussion as to whether the Town Council could request that a bye-law be passed which would prohibit alcohol being drunk in public at a particular location.

The Town Clerk read to Members a letter that he had received from Pembrokeshire County Council which advised what action they were taking in relation to these premises and the question of the caravan being parked on Council-owned land. They advised that negotiations were ongoing and aimed to bring them to a conclusion as soon as possible.

The Town Clerk had sent a copy of Mrs. Nevatte's letter to the Police, the County Council and the local County Councillor. The matter had therefore been brought to members' attention.

During the week of the visit of the Mayor of Pembroke, Malta, photographs were taken of members of Pembroke and Pembroke Dock Town Council followed by lunch in the Kings Arms.

The Mayor said that he was working with PALC who were exploring other avenues relating to the safety of shipping, e.g. fire safety, hospital systems, etc.

He had received an invitation from Milford Haven Port Authority to attend a visit to the Nautical College in Fleetwood but was unfortunately unable to attend. He had passed this invitation on to the Deputy Mayor.

#### **79. MATTERS RECEIVED VERBALLY**

##### **(a) Winter Carnival**

A meeting of the Tourism Committee had taken place on 21 September and as there had not been a quorum for the meeting it was agreed that this matter should be referred to the full Town Council meeting to obtain approval of the arrangements for this year's Winter Carnival.

The Tourism Committee meeting had decided that there should be no carnival this year given that there were only two floats entered for the event last year. The following items would however be included:-

Arrival of Father Christmas

Singing of Christmas Carols around the Christmas tree

Provision of Fireworks at the end of the event from the Gun Tower (Councillor Ron Watts to obtain the necessary permission from PCC and Milford Haven Port Authority)

The Town Clerk was asked to write to Pennar Junior School and Pembroke Dock Junior School to enquire if their Choirs could lead the carol singing. In addition the Town Clerk was asked to arrange for Carol Sheets to be provided and to book the Pembroke Town Band and arrange with them the carols to be sung etc. He was also asked to make contact with Mr R Holmes from the Fairground organisation about the provision of fairground attractions on the day. County Councillor Clive Collins had in the past made arrangements for the Mayor and Father Christmas to use the Sleigh and the Town Clerk was asked to make the necessary approaches to secure this for the event. A Christmas Tree would also need to be obtained from Hean Castle Estates which in the past Clive Collins had arranged to be collected and erected. The sea cadets were to be approached to provide a guard for Father Christmas. The Town Clerk was asked to arrange with the Town Hall Caretaker / Handyman to make enquiries with BeWise Stores for the provision of an electricity supply from their premises to the tree lights and also for the PA address system.

It was agreed that there should be an Illuminated Property and Window competition on the Wednesday prior to the event, viz. 7th December. The Town Clerk was asked to make enquiries about this together with the provision of any other charity stalls. The Town Clerk stated that he had so far been unable to make contact with Mr J. S Pickering who had in the past worked with Grahams Hoists to erect the Christmas lights. He had sent two letters and made two telephone calls leaving messages but no response had been received. It was now imperative that we knew whether Mr Pickering would carry out the work or whether the Town Clerk should find someone else. It was agreed that there would be one final attempt to make contact with Mr Pickering and that if there was no reply within a week the Town Clerk was authorized to find an alternative. Grahams Hoists had tendered for the erection and dismantling work associated with the Christmas lights at £1100 and £500 respectively. On the topic of Christmas lights, the Town Clerk stated that last week he had returned a number of lights to the manufacturer in Wellington Somerset for repair / renewal. He was awaiting confirmation of the cost but provisionally he had been given a cost of £200 per item. Given the current budget he believed that it would not be possible this year to purchase new items.

After discussion Members agreed that this was a suitable solution this year but that consideration should be given to arranging something different next year.
